- Every month, except your first month, is \$30, and cannot be prorated, despite vacations or other prolonged absences.
- A recurring monthly payment on a credit card is required and will be charged on the first of every month. This can be cancelled or put on hold for a period of time, by phone or in person, at any time.

Silver Sneakers and Silver&Fit Program

- If your insurance plan participates in either of these programs, the \$30 monthly membership fee will be waived for access during staffed hours. However, if you choose to have 24 hour key fob access, there will be a \$10 monthly fee.
- If you choose to have a physical assessment or customized exercise program, these will be at your own cost.

Physical Assessments and Equipment Instruction

- Our primary goal is safety for all of our members and for that reason we highly recommend undergoing a physical assessment by one of our trained professionals to ensure you are safe to exercise independently. This also includes instruction on a customized exercise program created for you.
- If you feel you are highly proficient in your exercise regimen, you may choose to forego the physical assessment, at your own risk.
- If you are new to exercise and feel you may need light supervision or occasional guidance from our staff, we recommend you exercise during our staffed hours listed below.

Staffed Hours

Monday - Thursday: 7am-7pm, Friday: 7am-6pm (The clinic is closed on weekends and major holidays)

Transcend Physical Therapy is committed to helping you achieve your fitness goals. In that effort we have expanded our fitness equipment offerings to include Cybex strengthening equipment as well as machines to improve cardiovascular fitness. It is also important to be available at times when people want to exercise. Therefore, we have opened a fitness center aimed to cater to meet most people’s needs with safety and security as our paramount concern. Our clinic was designed to allow for unattended access, where a person can exercise at virtually any time and on holidays. Features, implemented to ensure safety, include the installation of cameras throughout the gym which record at all times onto a secure cloud server and the installation of a cellular-network security system which features panic buttons that are placed throughout this location. We feel it is vitally important that you feel safe while exercising at Transcend Physical Therapy.

If you prefer exercising during our staffed hours, they are 7am to 7pm Monday through Thursday and 7am to 6pm on Friday. It is our hope that you feel comfortable and that we are always approachable for guidance or suggestions. We thank you for allowing us to be a part of your fitness journey and hopefully with helping you to achieve, or transcend, your personal fitness goals!

Our gym guidelines are as follows:

- ❖ **For after hours/holiday access:** The only door for access is the door at the front of the building from Lane Street. Please enter and exit ONLY through this designated door during non-clinical hours. Do not unlock the other doors for any reason! During clinical hours, any of the doors may be utilized.
- ❖ **For after hours/holiday access:** Do NOT let anyone in who does not have a working key fob. Everyone who has a key fob is given this instruction and therefore should know not to even think it’s appropriate to ask to be let in!
- ❖ Dry, closed-top athletic shoes are required. NO street shoes please! Bringing clean, designated gym shoes to wear while exercising helps us tremendously to keep everything clean and safe for others.
- ❖ Please do not wear jeans to exercise. They often have rivets and the material is particularly hard on our equipment fabric.
- ❖ Please wipe down all utilized equipment. We have spray bottles and BLUE towels for use throughout the gym. It’s fine to use the same blue towel on multiple pieces of equipment. We have laundry hampers throughout if a towel is particularly soiled.
- ❖ WHITE towels are for your personal use as a sweat towel.
- ❖ Please return weights, exercise pieces, and lifting implements to where they belong. If you are unsure of where they belong, it’s because the person before you didn’t follow this rule.
- ❖ Please do not clang the weights, slam dumbbells, or throw equipment down on the floor. Not only is it unsafe, it is obnoxious. We aren’t asking you to exercise completely silently but it is less than ideal to have plates clang each and every rep. Your muscles are challenged moreso by slow, steady lifts with minimal rest time (plate contact time) between reps.
- ❖ Please do not lean anything against the mirrors or touch the mirrors.
- ❖ Please do not sit on equipment for excessive rest breaks when the gym is busy. Never sit on the back of the ellipticals because that inviting looking shroud is not meant for that and it puts you and the equipment at risk.
- ❖ No food consumption or consumption of alcoholic drinks are permitted in the gym at any time. Please stick to water or sports drinks while in the gym. Exercising while on the influence of drugs or alcohol is also prohibited. Exception: If you need to consume a snack for medical reasons, please do so responsibly and dispose of all trash appropriately.
- ❖ Unknown and/or unauthorized taking of pictures or video of other members is prohibited. There is likely no pure motive behind doing so and this action is punishable by permanent membership revocation.
- ❖ The stairs are for rehab use only. Please do not go up the stairs.
- ❖ Most importantly, have FUN, be respectful of others, be safe, and make friends!

I have read, and fully understand, the above stated guidelines and regulations. I understand that if these guidelines are not abided, my membership may be discontinued.

6. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

By signing this document, I agree that if I am hurt or my property is damaged during my participation in this activity, then I may be found by a court of law to have waived my right to maintain a lawsuit against the parties being released on the basis of any claim for negligence.

____ I would like a health assessment to be performed by a trained professional and a personalized exercise program created to address my goals, at a fee of \$50.

____ I would not like a health assessment to be performed and, therefore, agree that I am fully capable of exercising independently and safely without the guidance of the staff at Transcend Physical Therapy.

I have had sufficient time to read this entire document and, should I choose to do so, consult with legal counsel prior to signing. Also, I understand that this activity might not be made available to me or that the cost to engage in this activity would be significantly greater if I were to choose not to sign this release, and agree that the opportunity to participate at the stated cost in return for the execution of this release is a reasonable bargain. **I have read and understood this document and I agree to be bound by its terms.**

Here's How Recurring Payments Work:

You authorize regularly scheduled charges to your Visa, MasterCard, American Express or Discover card. You will be charged at the first of each month for the total amount due for that month. A receipt will be emailed to you and the charge will appear on your credit card statement. You agree that no prior-notification will be provided. If you should at any time want this recurring payment to be discontinued or temporarily withheld, it is your responsibility to notify Transcend Physical Therapy, during their regular business hours, at least 5 business days prior to the scheduled charge. If you choose to stop the recurring charge, your gym key fob will be inactivated on the day that charge should have occurred.

You are responsible for updating your credit card information in the event that it expires. Once a credit card expires, charges will not be possible and, therefore, your key fob will be inactivated.
